Names will be engraved into the stone of the *Zachor Wall*. Letters will be at least 0.75 in/1.9 cm high. Family names purchased at the same time will be engraved in the same location with at least 0.75 in /1.9 cm spacing between lines. Placement will be assigned by the engraver on the wall, considering the number of letters to be engraved and the size of the various stones.

Transliterated Hebrew names can be included on the order form, and the final Hebrew will be confirmed with the purchaser before engraving.

Each person honoured will also be memorialized on the Cemetery website's *Zachor Wall* section where we will post a photograph and a 500-word submission about them. Please provide a suitable scanned image and text to: jewishcemetery@congregationemanuel.ca

Engravings are carried out in groups of ten, so there may be some time between the purchase of the engraving and when it will be completed. Purchasers will be invited to a ceremony at the Cemetery after names are engraved.

A receipt for the donation portion will be sent in February following the end of the calendar year in which the payment is made. You are invited to consider a larger donation than the minimum prescribed amount. All donations in support of our heritage Cemetery are appreciated.

(The *Zachor Wall* does not replace the *Yizkor* plaques in the historic sanctuary of Congregation Emanu-El, which also include dates, and which are illuminated during appropriate times during the Jewish calendar year.)
